TO WHOM IT MAY CONCERN,

**LETTER OF RECOMMENDATION**

This letter is my personal recommendation for **Vishal Bharti**.

Recently, he has completed two month long internship with Adaptflex as a Data Analyst and Operator Intern . Throughout his tenure, he proved to be reliable on every task and completed them with minimum supervision.

I have been impressed with the way — carries his duties with passion and enthusiasm. During the period, he served us; he was a great asset to us due to his quality productivity and timely completion of tasks assigned to him.

I, therefore, recommend Vishal without reservation and I know he would be a great asset to any organisation.

For more information about Vishal Bharti, feel free to inquire anytime.

Warmest regards,

SHITIJ KAPOOR

CEO
